## **OUR VISION**

- To be partner in building India a world leader in Medical Education & Health care
- To establish & develop world class self reliant institute for imparting Medical and other Health Science education at under-graduate, post-graduate & doctoral levels of the global competence.

## **OUR MISSION**

- To strive incessantly to achieve the goals of the Institution.
- To impart academic excellence in Medical Education.
- To practice medicine ethically in line with the global standard protocols.

## **OBJECTIVES**

- To develop and provide professionally qualified doctors for augmenting the nation human resources through Bio-Medico-Socio-Epidemiological scientific research.
- To provide quality & affordable health care facilities and services to all sections of the society.
- To serve & educate the public, establish guidelines & treatment protocols to be followed by treating hospitals.
- To inculcate high moral, ethical and professional standards among students and to improve their overall personality as well as inculcate compassionate behavior.
- To evolve the Institution to the status of a Deemed University.
- Our Students - Our Assets.
- Our Staff - Our Means

## MESSAGE FROM OUR CHAIRMAN

I feel glad to gift you Shridevi Institute of Medical Sciences & Research Hospital. Established in 2013 it is the Dream Project College of Sri Shridevi Charitable Trust. I congratulate you on your decision to make career in Medical field. At the outset let me inform that Medical Sciences is an application of your learning (knowledge and skills) in latest technology. For effective learning you need to understand basic concepts and principles involved in Health Sciences. The faculty in this college is one of the best in its class, and the college is being tie-up with several reputed healthcare institutions in the country so as to provide an excellent campus learning environment to its graduating students.

Considering the impact of globalization and competitive world, SIMS&RH faculty and staff are being trained on a continuous basis in curriculum development and analysis of each subject, its concepts, principles and applications. Learning packages based on human psychology of learning and subject matter analysis are prepared for easy understanding.

We also prepare multimedia learning packages for students in different subject areas. These multimedia teaching-learning packages help both teachers and students in making learning very effective. SIMS&RH aims at not only educating the young to be successful Healthcare Professionals, but also to churn out socially responsible human beings of tomorrow.

I convey my best wishes to all the students and their parents for a successful future and good education.

**Dr. M. R. Hulinaykar**  
**Chairman, Sri ShrideviCharitable Trust (R.)**

## **MESSAGE FROM OUR MEDICAL DIRECTOR**

Dear Prospective Students,

Thank you for expressing interest in The Shridevi Institute of Medical Sciences & Research Hospital, Tumakuru.

We understand choosing a medical college is one of the most important steps towards your career in Medicine. We can help you take this step with the confidence that comes from knowing you will receive an excellent Medical Education at The Shridevi Institute of Medical Sciences.

The Medical Programme at SIMS provides a broad foundation for study of Health & Disease. As it is already an important part of the learning experience, we persist on a continuous improvement plan which focus on new ways to integrate the clinical portion of our curriculum with the Foundation of Medicine courses. At The Shridevi Campus, We present our students as many opportunities as possible for you to see and understand the connections between the two as an excellent way to enhance learning.

The comprehensive study programme encourages our medical students to learn independently, while also working in teams as they will in their future careers. The Shridevi faculty engages students to apply their knowledge in more ways, and also encourage the use of technology to help learning. Our faculty is focused not only on their knowledge of the science of education, but also on learning new methods of teaching and new ways to reach our students. This results in a more successful education and leads to a better overall education for our students.

We are very proud of our students, our graduates and our Faculty. Together they represent our current & future commitment towards the Shridevi Trust's Vision - *"To transform students into innovative leaders with educational excellence and strong ethical values"*

I welcome you to the Shridevi Institute of Medical Sciences & Research Hospital and I look forward to meeting you on campus.

**Dr. Raman. M. Hulinaykar**  
**Medical Director**  
**Shridevi Institute of Medical Sciences & Research Hospital**

## **MESSAGE FROM OUR DIRECTOR – HR & IT**

WELL BEGUN HALF DONE

### **DEAR PARENTS AND STUDENTS,**

Shridevi Group is well-known for its academic institutions and healthcare services in Karnataka. Students across the globe come here for studies and to carve out a bright career for themselves. Shridevi Institute of Medical Sciences and Research Hospital has transformed into a hub of academic activities as far as medical education is concerned. The objective of the institute is not only imparting quality medical education to the students but also to motivate them to serve the rural community. Our initiative has won us accolades and recognition, far and wide.

The curriculum at this college is a perfect blend of academic acumen and professional inquisitiveness. We have a world-class infrastructure which is adoptive to new era of teaching and learning methodologies. Our students are trained to provide care under challenging circumstances and to effectively communicate and treat patients with respect and compassion. The institution's commitment is to improve the quality standards of healthcare through excellence in medical education, clinical research, publications and patient-care services. Students and faculty are deeply committed to the study and practice of medicine. The state-of-the-art skill laboratory focuses on achieving competency in skills.

I also appreciate the effort of the Principal in bringing up this calendar of events handbook every year which focuses on streamlining the academic & administrative activities and ensure that, they are implemented as per the schedule in imparting medical education.

Thank you for starting your medical career journey with us.

Wishing you all the success.

**Sri M S Patil**  
**Director - HR & IT**  
**Shridevi Institute of Medical Sciences & Research Hospital**

## **FOREWORD**

### **DEAR COLLEAGUES,**

On behalf of the management, and officers of college council, I wish all stake holders and patrons of the institution a very happy and prosperous new year-2026.

I deem it a privilege in presenting the calendar of events of the institution for the year 2026.

The purpose of the calendar of events is to accommodate all the academic, administration and other important activities of the institution, so that none of the programme /activities will be missed out.

This handbook is expected to help the faculty and various committees to plan, organize and participate in the scheduled activities.

I take this opportunity to thank all faculty who were involved in planning the events and bring out this handbook of calendar of events.

As head of this institution, I am happy to share that the institution is committed to achieve greater quality in all its activities in a well planned manner.

**Dr. M.L Harendra Kumar  
Principal  
Shridevi Institute of Medical Sciences & Research Hospital**
